University of North Texas (UNT) scholarships require recipients to fulfill certain academic criteria while they hold the scholarship. By accepting this UNT scholarship award, you confirm that you understand all the scholarship’s criteria and understand that if you fail to fulfill these requirements, you may forfeit all or a portion of the scholarship and waiver (if applicable). 

- You must enroll and successfully complete the minimum credit hour requirement during the terms of this award. 
- You must maintain the minimum UNT cumulative grade point average at the conclusion of each term of this award. 
- [Insert Other Requirements] 

By accepting this award, you agree to abide by the policies, rules, and regulations governing UNT. You authorize UNT to verify the information you have provided as needed. You understand that recipient information, including data from the Free Application for Federal Student Aid (FAFSA), may be provided to donor(s) and/or UNT department(s) funding any award received, released to high schools, and that notice of this award may be publicized in university materials. You authorize UNT to provide copies of grades and periodic performance updates to applicable selection committee(s) as needed, including members of organizations or foundations overseeing donor interests (i.e. foundations, trust administrators, etc.). For students on externally funded sponsored projects, funding and selection processes are mandated/overseen by the sponsor/PI and your participation with related reporting requirements is expected. Finally, you understand that the submission of false information is grounds for rejection and/or withdrawal of any offer extended. 

Please note that this award information will be sent to Student Financial Aid & Scholarships so that it may be coordinated with your other awards received for the current [Insert Award Year] award period. Once posted to your student account, receipt of late awards may cause other scholarships (awarded by UNT or outside agencies) and other resources (federal, state and institutional financial aid) to be adjusted if you exceed the current cost of attendance at UNT, or exceed your “need” for assistance as calculated by the FAFSA. As always, your myUNT student account is your resource for viewing your student award information.
