Securing your class schedule

1. Pay in Full

Payment in full is the best way to secure your classes. Acceptable forms of payment for tuition and fees include: Credit/Debit Card, eCheck, Check, Cash, Authorized Payer, Third Party/Sponsor Agreement, and International Payments. Please note that Credit/Debit cards are only accepted online. There is a 2.7% service fee associated with that type of payment.

Please visit studentaccounting.unt.edu/payments for more information on payments.

2. Installment Plan

The Installment Plan consists of an initial down payment of 10%, with 3 additional payments of 30% each. The first payment is due by the payment deadline each semester. For the Fall semester, additional payments will be due on October 5th, November 3rd and December 3rd. For the Spring Semester, additional payments may be due around February 3rd, March 3rd and April 3rd. **Installment plans are not offered for Summer sessions.**

3. Short Term Loan

A Short Term Loan automatically places a student on the Installment Plan and pays the first installment amount if a student's anticipated financial aid is not enough to cover the first payment. Short-term loans are issued for the first installment amount minus any anticipated aid amount. A one-time 1% origination fee will be charged at the time of the loan in addition to the $20.00 charge for being placed on the installment plan.
