Will My Classes be Dropped?

What is Pending/Anticipated Aid?

- Scholarships the student has been awarded and/or financial aid the student has “Accepted” on myUNT.
- Pending/Anticipated Aid does not include College Work Study awards.
- Parent (PLUS) Loans will not count toward a student's Pending/Anticipated Aid until your parent has applied for the loan and SFAS has received a credit approval from the lender.

As long as your Pending/Anticipated Aid exceeds the amount of your charges by the published due date, your classes will not be dropped.

Pending/Anticipated Aid will NOT apply to balances from a previous semester.

Federal Regulations

- As of Fall 2015, federal regulations prohibit Title IV/Federal financial aid from paying for the following charges:
  - Installment Plan Charge, Short Term Loan Origination Fee, Memorial Loan Fee, Late Payment or Default Fees
  - Excess Hours Tuition Fee
  - Repeat Course Fee

- Once federal financial aid has paid tuition, fees and housing charges (if applicable), some students may receive a refund yet still owe a balance to UNT because of finance and/or overtime charges. Payment arrangements would need to be made for the remaining balance to secure a student’s classes.

- If you have outstanding charges from a previous semester, you must pay your balance before any current term financial aid awards will be applied to your tuition and fee account.

Changing Your Class Schedule

- Schedule changes may affect the outcome of the calculation above. Please monitor your student account closely and take action to secure your classes!
