What Do I Do With Scholarships Awarded by Outside Agencies?

Bring the award letter and scholarship check to SFAS.

Please make sure to include the following on each item turned in:

- **Student's Name**
- **Student's 8-digit UNT ID Number**

NOTE:

If SFAS is notified of a scholarship after financial aid has been awarded, a student's eligibility for those financial aid awards may change and adjustments could be made.

What Do I Do With Scholarships Awarded by Outside Agencies?

When submitting scholarships to UNT, [agencies](#) should:

- Make scholarship checks payable to the University of North Texas (UNT).
- Scholarship checks should **not** be sent directly to the student if they are to assist with educational related expenses.
- If a student recipient receives a scholarship check directly, do not deposit it. Bring the check to SFAS so we can determine how best to help.

Supply SFAS with a communication from the [agency](#) that includes:

- Student Recipient's Full Name, UNT ID and/or date of birth
- Guidance regarding what academic term(s) award should be applied to (i.e. fall, spring, summer)
- Information confirming if the award is a one-time payment or if it is renewable. If renewable, indicate when will additional funds be sent to UNT.
- Information confirming the award can pay all educational expenses (i.e. tuition/fees, room/board, books)
- Agency Contact Information (name, mailing address, email and phone number)

What is Pending/Anticipated Aid?

- Scholarships the student has been awarded and/or financial aid the student has “Accepted” on **myUNT** .
- Pending/Anticipated Aid does **not** include Parent (PLUS) Loans that have been denied due to adverse credit history by the lender or College Work-Study.
- Parent (PLUS) Loans will count toward a student’s Pending/Anticipated Aid if SFAS has received a credit approval from the lender.

Pending/Anticipated Aid Example 1

Will this student's classes be secured or dropped?

Tuition & Fees	\$5,821
Stafford (Student) Loan	\$2,750
Work-Study	\$2,000
Parent PLUS Loan*	\$6,000

\$5,821 (Tuition & Fees)
-\$2,750 (Student Loan)
\$3,071 Remaining Balance

*Credit Not Approved

The student's classes will be dropped, and they will need to make payment arrangements for the remaining \$3,071.

Students can pay the remaining balance by cash, check or credit card OR they can utilize the **Installment Plan** and/or **Short Term Loan** options offered through Student Financial Services (SFS) by the published payment deadline to secure their classes.

Pending/Anticipated Aid Example 2

Will this student's classes be secured or dropped?

Tuition & Fees	\$5,821
Pell Grant	\$1,000
Stafford (Student) Loan	\$2,750
Parent PLUS Loan*	\$2,500

\$5,821 (Tuition & Fees)
-\$1,000 (Pell Grant)
-\$2,750 (Student Loan)
-\$2,500 (Parent PLUS*)
\$0 Remaining Balance

*Credit Approved

The student's classes will be secured, as the total amount of the student's Pending/Anticipated Aid is more than the total of the student's tuition and fee charges. After tuition, fees and on campus housing charges are paid, a student may receive a refund that can then be used toward books or other school-related expenses.

How and When Are Funds Disbursed?

Student accepts awards on [myUNT](#) student portal

Student completes all items on To Do List (Loan Counseling, MPN)

Funds will *begin* disbursing to [SFS](#) to pay tuition, fees and on campus housing charges (if applicable) approximately one week before classes begin.

Is there money left after account is paid in full?

*Scholarship funds will disburse to your student account once you establish **attendance** in the credit hours required to receive your award(s).

A [refund](#) is issued by [SFS](#)

Make payment arrangements through [SFS](#)

[SFS = Student Financial Services](#)

Federal Regulation

As of Fall 2015, Financial Aid regulations prohibit federal financial aid from paying the following charges:

- Installment plan charge, Short Term Loan Origination Fee, Memorial Loan fee, Late payment or default fees
- Excess hours tuition fee
- Repeat course fee

*** Once federal financial aid has paid tuition, fees and housing (if applicable), some students may receive a refund yet still owe a balance because of finance and/or overtime charges. Payment arrangements would need to be made for the remaining balance to secure a student's classes **

Money Matters

Refund Priority

Books and supplies are considered an educational expense, so your [refund](#) can be applied toward the purchase of your books and supplies.

To ensure these funds are used wisely explore all of your book options on and off campus!

Maintaining Your Eligibility

What Can Affect a Student's Eligibility to Receive Financial Aid?

- Satisfactory Academic Progress (SAP)
- Dropping classes
- Withdrawing from the University
- Owing a prior year balance
- Exceeding loan limits
- Exceeding Federal Pell Grant limits
- Defaulting on loans

Satisfactory Academic Progress (SAP)

- **GPA**

Minimum cumulative UNT grade point average necessary to meet SAP requirement:

- **Undergraduate Students: 2.0**
- **Graduate Students: 3.0**

- **Pace of Progression:**

An ongoing measure that ensures a student is on track to complete their program in the maximum timeframe.

Students must successfully complete at least **67%** of their cumulative attempted credit hours.

Satisfactory Academic Progress (SAP)

Maximum Hour Limit

Students must not have registered for, earned or attempted more than a specific cumulative maximum of semester hours as an undergraduate student. If a student exceeds the maximum number of hours allowed by their degree plan their financial aid will be canceled.

The screenshot displays a web interface for financial aid. At the top, a blue header reads "Finances and Financial Aid". Below this, there are sections for "My Account" (with a link to "Account Inquiry"), "Financial Aid" (with a link to "My Financial Aid" highlighted by a red box), and "My Award Information" (with a link to "Accept/Decline Awards"). A notification box states "You have no outstanding charges at this time." and a "make a payment" button is visible. A dropdown menu for "other financial..." is also present. The main section is titled "My Financial Aid" and includes "Available Actions" for "Aid Year 2016-2017". Under "Information", the link "Satisfactory Academic Progress" is highlighted with a red box. Other sections include "Applications" (with a link to "Financial Aid Summer Application") and "Forms" (with a link to "Fall/Spring Expected Enrollment Form").
